November Newsletter

Bayside Sports

GAA football skills, with Dean from Naomh Barróg, will begin for Rooms 1 & 2 on Friday, 10th November. It will run for six weeks.

Tennis with Dan at Trackside is ongoing for Rooms 9 & 10.

Rooms 7 & 8 will begin tennis later in November.

We are super proud of our girls' football team for their performance over the past number of weeks. It's the first time a girls' football team has made it to a final in Croke Park. They played a fantastic game of football! Thanks to all involved for the organisation that went into preparing for this memorable day. Thanks to our great neighbours in Naomh Barróg for the use of their facilities over the last number of weeks for our Boys' and Girls' Gaelic Football Teams

Science Week 2023

Science Week 2023 will take place from **12th-19th November**. For more information on how to get involved, please visit [ScienceWeek.ie](https://www.scienceweek.ie) and also follow developments using the hashtag [#scienceweek](https://twitter.com/scienceweek).

For Science Week 2023 it's time to consider what it means to be human in today's world.

Curiosity about how we interact as human beings – with each other and the world around us – has driven scientific inquiry, leading to discoveries that have transformed our understanding of the universe. For Science Week 2023, the public is being asked to consider the question of what lies ahead for future generations. From the climate emergency to social interaction and artificial intelligence, how will future generations be impacted?

Our very own [BaySciFest](#) will take place in school on **17/11/23** and parents will be able to visit the school to take part at these times:

BaySciFest: 17/11/23

6ths: 9.45 - 10.30

3rds: 11.15 - 12.00

5ths: 12.30 - 1.15

4ths: 1.45 - 2.20

We are currently organising field trips for classes to visit [Centres of Excellence in STEM](#) to celebrate Science Week.

If any of our parents can facilitate a field trip to their company, university etc, we would love to hear from you!

We would also like to invite any parents that have careers in STEM to come to our school during SW to talk to our pupils about their jobs. If you are interested in doing this, please contact Ms. Celine Clonan at c.clonan@baysidesns.ie

Green School News

Our first Green Meeting has taken place and all class Green pupil representatives and their Deputies were invited to attend. It was a great opportunity to meet new pupils and to start our discussion on this term's theme of *Litter and Waste*. This will be the theme of the current Sep/Oct in school Green Newsletter..

There was a reminder about segregation of paper waste in schools.

1. Use of the reusable paper trays is encouraged in each classroom

2. It was decided that teams of Green pupils would monitor the use of the dry, paper only PANDA bins in each shared area.

3. The Recycle your Batteries boxes were distributed to all classes

If there are any parents, grandparents, guardians with an interest in gardening and have some spare time you are very welcome to contact the school via email s.murray@baysidesns.ie or by phone 01-8393682 to chat about some volunteer projects.

Student Council for 2023/24

Our new Student Council for this academic year has been elected and the first meeting has been scheduled. Bayside Student Council is made up of representatives from every class in the school and meets with the Principal throughout the year to discuss initiatives and make recommendations on how we can continually improve our school's learning environment.

Board of Management

Our current Board of Management members will finish their term of office on **30th November** and the new Board will commence on **1st December** and run for the next four years. Many thanks to the outgoing Board members for their support of our school and all the time and input they have given on a voluntary basis.

PABS News

Many thanks to PABS for the very successful clothing recycling morning they organised last month in conjunction with Bags2School. We are very grateful to everyone who dropped off bags on the day and for all the support for this school initiative. PABS are now busy working on the Scholastic Book Fair which is scheduled for **30th November** and will return to being an in person event in the hall again, so don't buy your books anywhere else!

Nuacht!

Beidh rang a cúig (Seomra 5) ar Cúla 4 ar an Domhnach ar an **5ú lá de mhí na Samhna idir 10-12** a chlog. Beidh na daltaí ag bácaireacht ar an teilifís trí Ghaeilge. Comhghairdeachas le Bradán agus Sian freisin a bhí ag caint le TG4 faoin gcluiche i bPáirc an Chrócaigh. Táimid an-bhródúil aisti go léir.

Dates for your Diary

- Parent Teacher meetings **22nd & 23rd November after school**. Letter with details to follow after midterm.

- Science Week **12th-19th November**. BayScifest on in the Hall on **17th November**.

-Scholastic Book Fair run by PABS **30th November**
